

**The 5<sup>th</sup> International Conference on Smart Materials and Nanotechnology in Engineering**  
***SMN 2015 in conjunction with Cansmart 2015***  
**The International Conference on Smart Materials and Structures**

**First, second, third author**

First author affiliation, postal address, e-mail address  
Second author affiliation, postal address, e-mail address  
Third author affiliation, postal address, e-mail address

**ABSTRACT**

Abstracts should briefly outline the main features, results and conclusions as well as their general significance, and contain relevant references. A one-page abstract should be submitted no later than December 17, 2014. Please use the *2015-Cansmart Abstract template (this document)*.

Papers will only be accepted on the understanding that they will be presented at the meeting.

For any further request, please contact:
